

State of Maine

WHEREAS, engineers, through their education and experience, are highly skilled professionals contributing as educators, government and business people to an improved quality of life for the people of Maine; and

WHEREAS, opportunities in engineering and science encourage children to pursue education in mathematics and science and provide practical applications for their knowledge and skills; and

WHEREAS, in observance of National Engineers Week, the Maine Engineering Promotion Council has designated February 14 - 20, 2010 as Maine Engineers Week; and

WHEREAS, thousands of Maine people will be exposed to the contributions of Engineers in our state and the nation through a statewide media campaign; and

WHEREAS, Maine children will be encouraged to consider engineering and science careers through the media campaign and activities including the Maine Engineering Expo; and

WHEREAS, engineering firms, manufacturers, colleges, educators and professional societies will participate in the Maine Engineering Expo providing hands-on activities in engineering and science for hundreds of Maine children,

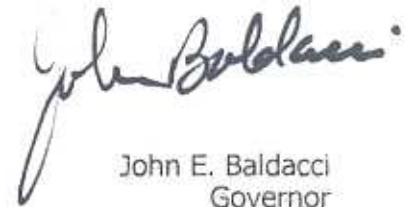

NOW, THEREFORE, I, JOHN E. BALDACCI, Governor of the State of Maine, do hereby proclaim the week of February 14 - 20, 2010 as

MAINE ENGINEERS WEEK

throughout the State of Maine, and extend deep appreciation for, and encourage our citizens to consider the outstanding contributions of these fine professionals to our community.

In testimony whereof, I have caused the Great Seal of the State to be hereunto affixed GIVEN under my hand at Augusta this twentieth day of January in the Year of our Lord Two Thousand and Ten.

John E. Baldacci
